BC FERRIES ANNOUNCES SUMMER PRICING PROMOTION
Choose from select early morning and late evening sailings from $39 for vehicle and driver

VICTORIA – BC Ferries announced today the "Sunrise and Sunset Savings" promotion where customers can save significantly on over 1,600 select early morning and late evening sailings on routes between Metro Vancouver – Vancouver Island and Metro Vancouver – Sunshine Coast all summer long.

From May 18 to September 15, BC Ferries is offering passenger vehicle and driver fares at $39, $49 and $59 on select sailings between Tsawwassen – Swartz Bay, Tsawwassen – Duke Point, Horseshoe Bay – Departure Bay and at $39 return-trip between Horseshoe Bay – Langdale.

"The Sunrise and Sunset Savings promotion offers summer travellers great discounts on less crowded sailings, and gives customers a choice of fare price if they have flexibility with the time-of-day they choose to travel," said Janet Carson, BC Ferries' Vice President of Marketing and Travel Services. "With more traffic moving to less busy sailings, we make more space available for other customers during the rest of the day."

Space on the selected sailings is on a first-come, first-served basis. We recommend customers make a reservation to guarantee their spot on one of the reduced-price select sailings. Reservations are just $10 if booked seven days or more in advance.
